

# VACANT HOME STAGING SERVICE

*Do you need everything handled for you? Are you starting with a clean slate?  
Do you need the home sold quickly and for top dollar? If this is you, this package is  
what you are looking for!*

We will bring our market expertise to completely transform your selected spaces into a home buyer's dream! After all, a staged home is estimated to sell for 5-20% more and 30% faster!

We will space plan, design, deliver, install, style, and return to remove all furnishings and decor.

Your stage will be personalized to your area and to the needs of your home. We will base your stage on the recommendations made during your initial consultation.

Our customizable package will ensure your home has a seller's advantage by creating a home every buyer can envision themselves living in.

We are certified and insured Home Stagers, Interior Decorators, and Professional Organizers.
