Love Notes

Working with Tia from Gifts Given was hands down one of the best decisions we made for our wedding! From the very beginning, Tia brought an incredible level of professionalism, creativity, and calm that made the entire planning process not only seamless but genuinely fun.

Her wedding planning services were thorough and thoughtful – she anticipated our needs before we even had a chance to think of them. When it came to day-of coordination, Tia was an absolute superstar. She managed everything behind the scenes so effortlessly that we were able to be fully present and enjoy every moment of our day without a single worry.

The décor rentals and setup were beyond stunning. Every piece felt intentionally chosen and beautifully arranged. Tia has an incredible eye for design, and she made sure that every single detail – from the largest installation to the tiniest accent – was perfect. She truly brought our vision to life, and then some!

Her teardown services were just as efficient and smooth as everything else. We didn't have to lift a finger – she had everything handled with care and precision.

Tia is truly a gem, and we are endlessly grateful for her talent, dedication, and warmth. If you're looking for someone who will go above and beyond to make your day absolutely unforgettable, look no further than Gifts Given. Highly, highly recommend!

Tia helped me so much with planning my wedding! She worked so hard to make sure everything was organized and beautiful. I fully trust her abilities as a planner and decorator. We appreciated all of her help!

Tia was so helpful and great for me on my wedding day, and months before with planning and checking everything!! With her, I could enjoy the day without stressing because she took care of all the details. So, of course, I would recommend her with my eyes closed! And she is so sweet and lovely!! And takes great pics!

Love Notes

From the moment we met Tia, we knew she was something special, but nothing could have prepared us for just how extraordinary she would be. Tia wasn't just our event coordinator; she was the heartbeat of our wedding day, the calm in every storm, and the magic behind every breathtaking moment. She took our vision and elevated it to a dream we didn't even know was possible. Every detail, every transition, every unexpected hiccup — we never saw them because Tia handled it all with grace, precision, and a heart full of love. Her eye for beauty, her dedication to excellence, and her ability to truly listen set her apart. She didn't just plan a wedding; she created an experience — one that our family and friends are still raving about, and one that we will cherish for the rest of our lives. Tia made us feel seen, heard, and celebrated from start to finish. She laughed with us, cried with us, and cheered us on every step of the way. There was never a moment when we felt alone because she had our backs like family. That's who she is — she's more than a coordinator; she is a soul who pours herself into what she does and makes you feel like the most important people in the world.

If you are lucky enough to work with Tia, know that you are in the hands of someone who cares truly, deeply, wholeheartedly. Our wedding was everything we dreamed of and more, and we owe that to her.

Tia, thank you for being a part of our love story.

Tia was much more than my husband and I could have ever expected! With DAYS before our daughter's wedding, Tia came to our rescue. In a very short amount of time, she drove 1 1/2 hours to meet with our daughter, our soon-to-be son-in-law, and the bridal party to rehearse and prepare for the big day. On event day, Tia (with supplies in hand) turned the wedding venue into a dream location and kept everything on track. The bride and groom came away with wonderful memories, guests felt welcome, and mom and dad couldn't be more satisfied. All we can say is thank you, Tia!

Words can't describe the feeling that I get when I look at my wedding. Tia and Tracy went above and beyond for me and made our day a dream come true. If you want something, they get it, and they get exactly what you wanted. I can't thank them enough for the time, effort, and dedication they put into our wedding, making it the best day of our lives.
