

# The Gifts Given

Your dream luxury picnic and experience awaits you!

# Our Story

At The Gifts Given, we specialize in creating beautifully styled luxury picnic experiences designed to celebrate life's special moments in an elevated and meaningful way. From romantic celebrations and milestone birthdays to intimate gatherings and special occasions, our team thoughtfully curates each picnic with intentional design, layered details, and a welcoming atmosphere that feels both effortless and unforgettable.

Our luxury picnics blend thoughtful planning, elevated styling, and curated décor to bring your vision to life. Whether you envision a whimsical garden setting, a modern romantic aesthetic, or something uniquely your own, we work closely with you to design an experience that reflects your style and creates lasting memories for you and your guests.

We are proud to offer picnic parties for children as well — thoughtfully styled with playful details, beautiful color palettes, and age-appropriate touches that feel both magical and elevated while still keeping the fun at the heart of the celebration.

With over 20 years of experience in event planning and management, our family-owned business is built on heart, dedication, and a genuine love for creating meaningful experiences. When you work with us, you're not just booking a picnic — you're partnering with a team that treats you like family and is committed to making your celebration seamless, stress-free, and truly special.
